

**Milwaukee County Project # 0654-20210**  
**Safety Building,**  
**6th Floor Security Barrier**  
**Bid Addendum #2**  
**10/27/22**

The following Clarification shall be incorporated into the Bid Documents for the project referenced above.

Specification Section 00 73 19- Health and Safety Requirements

Add the following:

Section COVID-19 Vaccine Mandate Procedure:

For purposes of the Construction work to be carried out within the Safety Building for the Security Barrier Room 615; **Vaccination is not required for contractor work in the Safety Building.**

All other requirements such as masking (due to current Medium Risk level), health screening, and procedures for symptomatic / positive cases remain in effect.
